Cart ships fully assembled and ready to use.

MD-5116-BASIC is compatible with the Intelligent Charging System (not included).

Cut Down Wiring Time

Cut down on wiring time with a cart that is easy to set up, but endures repeated use. AC adapters are stowed in a lockable compartment beneath the shelf. The cart supports most in-line and outlet chargers.

Easy to Transport

This lightweight, small footprint cart includes top and bottom push bars and 5" industrial grade casters for easy maneuverability. Great for transporting technology to modular classrooms.
