

Adapt12 USB-C

with Active Charge Upgrade

JAR SYSTEMS

Actively charge devices
while they are in use — anywhere!

Quick and Easy
Asset Tracking

Scannable Barcodes!

Clutter-Free

No need for messy AC adapters! Save time by removing cable management processes from your team's workflow.

Efficient USB-C Charging

Powered by Quick-Sense USB-C PD Charging, devices automatically charge quickly and efficiently.

Reduces Disruptions

Power banks enable students to charge devices while they work, regardless of outlet availability.

Choose Your Solution
