Add Convenient, Supplemental USB-C Charging to Any Location!

Great for power banks, smartphones, handheld devices, and more.

Clutter-Free

No need for messy AC adapters! Save time by removing cable management processes from your team's workflow.

Efficient USB-C Charging

Powered by Quick-Sense USB-C PD Charging, devices automatically charge quickly and efficiently.

Easy-to-Scale Solution

A plug and play solution, Adapt12 provides a hassle-free way to supplement charging on an organization-wide scale.

Reduce low-battery disruptions with the Adapt12, a plug-and-play solution to better charging. It's a convenient solution when devices have been drained from prolonged use, as a home for spare devices, or for small device sets.
