

ESSENTIAL 12

AC Adapter-Free, USB-C Charging

Charge and Secure
Devices in an
AC Adapter-Free
Charging Solution!

5 Year JAR Systems
Warranty

Efficient USB-C Charging

The Quick-Sense USB-C charging ports identify the devices' power needs to deliver a fast and balanced charge.

Save Space

Compact and lightweight, the Essential 12 may be easily mounted to a wall or secured to a desk, saving floor space. Two or more stations may be placed in separate areas to ease traffic.

Reduce Lengthy Wiring

Wiring can take up a lot of time and technology resources. The Essential 12 USB-C Station is a low maintenance solution, ensures the durability required for years of repeated use in classroom

Essential 12 USB-C Charging Stations save technicians' time by eliminating AC Adapters and maximizing valuable classroom space and learning time. These compact, lightweight charging stations can be conveniently mounted to a wall or secured to a desk and efficiently charge up to 12 devices of any type, without having to re-wire stations. Leave it open for easy device access or secure devices while charging, this station can provide quick classroom device deployment and accessible charging for an affordable price.

Emulator Adapter Cables

Never Wire Charging Carts Again!

Universal Compatibility

Connect any device to the provided USB-C to USB-C dongle cables or get emulator cables for another port type.

Easy Serviceability

Quick-Sense USB-C Charging Hubs are self-contained and easy to remove from the cart should they ever need service.

Always Ready to Charge

Dongle cables lock in place, so they are right where they are needed. Plug in a device at any time to start charging.

Features That Are Essential to Schools

Secure Open Design

The locking system prevents devices from being removed while providing an open design that allows teachers to see that all devices have been returned at a glance.

Speedy Deployment

Multiple charging stations can be used for higher quantities of devices. This can also increase the speed of deployment as students may form multiple lines to retrieve their devices.

Specifications

12 Device Bays: 1"W

Dimensions:

14"H x 18.25"W x 14"D | 32 lbs
Adjusts to 17.25"H x 18.25"W x 18"D

Max Devices Size:

Devices up to 8.75"H: max depth 15.5"D
Devices 8.75"-11.75"H: max depth 13.5"D

Quick-Sense Specifications:

500W output max per hub
65W output max per USB-C port
Over-current, over-voltage protection

Locking:

1 Keyed Padlock, 2 Keys Included

Warranty:

Station | Lifetime
Quick-Sense USB-C Hub | 2 years
Cables | 1 year

Optional Individual Device Security

No need for expensive charging lockers! Instead, use Kensington locks from JAR with the Essential 12. This addition can prevent theft and boost productivity by reducing time spent seeking misplaced devices.
#AS-LCK-8P
