POWER UP YOUR K-12 ESPORTS PROGRAM

With the all-new Legion
PowerPro Esports Cart

Lenovo
LEGION X JAR

**Experience the ultimate solution for charging and securing
gaming laptops and multiple peripherals**

The Legion PowerPro Esports Cart's built-in charging technology senses power demands and delivers based on device standards.

There's no wiring setup and no need to maintain cable management.

- Efficiently charge up to 12 laptops with Quick-Sense USB-C Power Delivery
- Securely store devices and peripherals with a durable locking enclosure
- Set up without extra wiring or expensive AC adapters
- See charging status of devices with vibrant colored LED bar

MORE THAN A CART, IT'S A GAME-CHANGER.
