

PowerPro Esports Charging Cart

JAR SYSTEMS

MPN: MC-9012-JPP

Power Up Your Esports, CTE, and STEM Programs.

Charge and Secure Everywhere

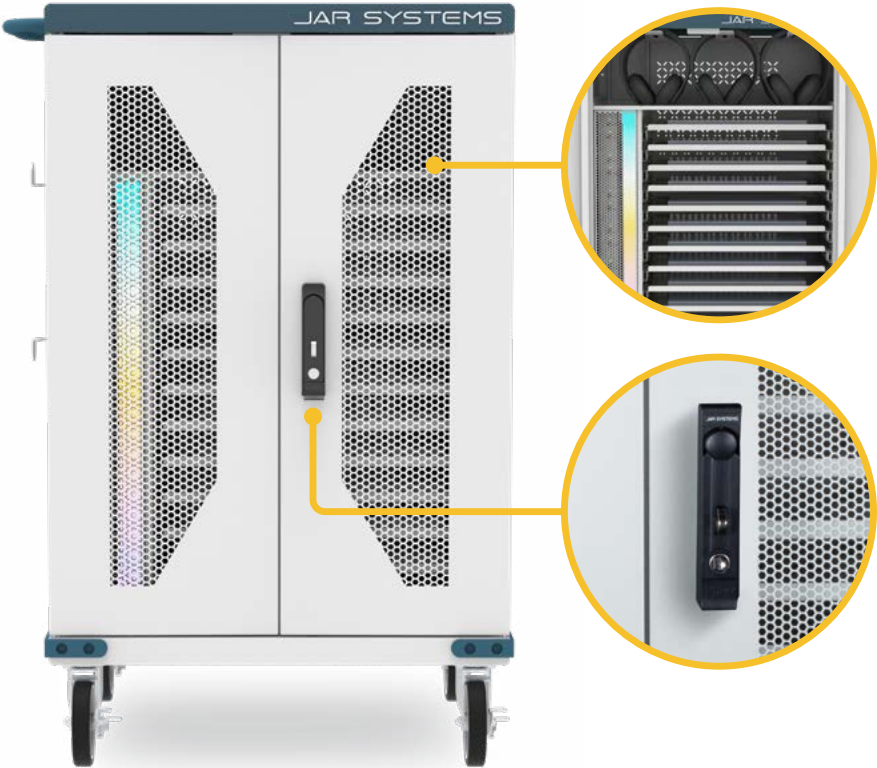

Turn any space into an esports or CTE hub with a cart that keeps high-performance devices protected, powered, and ready to go.

AC Adapter-Free Setup

Directly charge up to 12 laptops with Quick-Sense USB-C Power Delivery—without extra wiring or expensive AC adapters.

Charging Status At-a-Glance

View the total charge of all devices with a vibrant, adjustable LED bar, while individual LEDs display per-device charge.
