## Efficient USB-C PD Charging

Quick-Sense USB-C charging identifies the devices' power needs to deliver a fast and balanced charge.

## Stop Wiring Carts!

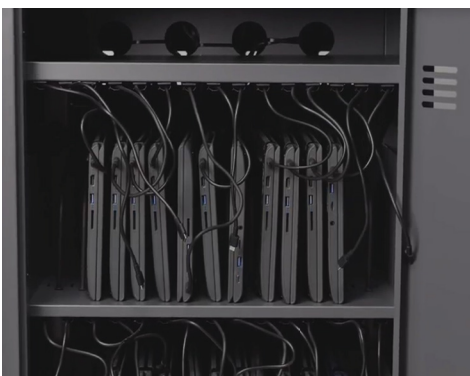

No need for messy AC adapters! Save time by removing cable management processes from your team's workflow.

## Spend Less

Upgrading is a more affordable option than purchasing a brand new cart or station. Save your team time and money.

***Make Your Faculty and Tech Team Happy with Better Charging***
