

JAR Replace Service

for Quick-Sense USB-C Charging Hubs

JAR SYSTEMS

Overview

What is Covered?

Our Replace Service covers your Quick-Sense USB-C Charging Hub.

How Does It Work?

For a single upfront cost, we will ship you a replacement Quick-Sense USB-C Charging Hub. The replacement shipment will include a prepaid return shipping label for sending back your original hub. To maintain eligibility for the Replace Service, the original hub must be returned within 30-days of receiving the replacement hub. Certified replacement hubs include a 1-year warranty on electrical components.

Questions?

We're here to help! Receive dedicated support from our Customer Success Team at Support@JAR-Systems.com

Revive your charging solution with our replacement service.

Your hub has charged your devices hundreds of times. Don't let an expired warranty slow you down! Replace your out-of-coverage hub for a single, upfront cost. No ongoing fees, no worries—just one quick fix to keep your fleet moving forward.

- ✓ Bring your charging solution back to life for less than paying for a new one.
- ✓ Reduce your e-waste and environmental impact with a refurbished hub.
- ✓ Protect your productivity with a certified replacement to keep your fleet moving.
- ✓ Enjoy a one-time replacement for a fixed upfront cost.

Pricing is determined by quantity of charging ports:

One-Time Replace Service	Ports	Replace MSRP	vs. New MSRP	Savings
Quick-Sense USB-C Charging Hub	4-6	\$199	\$285	\$86
	12-16	\$349	\$995	\$646
	36	\$599	\$1,995	\$1,396

Still covered under warranty?

Our Replace Service is for Quick-Sense USB-C Charging Hubs no longer covered by warranty or a protection plan. For ongoing coverage, explore our extended protection plans at [JAR-Systems.com/Protect](https://www.JAR-Systems.com/Protect)
